12. If Impact Incentives are included above, by what year do you expect to be sourcing 100% physical cage-free eggs (Identity Preserved or Segregated) in products manufactured by your business?

La compañía no compra incentivos de impacto

Actions for next reporting period

13. Outline activities that you will undertake in the coming reporting period to advance your cage-free commitment.

Actualmente estamos en proceso de búsqueda de proveedores de huevo líquido y en polvo libres de jaula que puedan proveernos la materia prima alineada a nuestro compromiso con el bienestar animal de las gallinas ponedoras.

Challenges

14. Explain obstacles you've encountered this reporting period in sourcing cage-free eggs.

1. La Pandemia ha dejado consecuencias muy relevantes en cuanto a la proveeduría de huevo libre de jaula; por un lado, el aumento de los precios y por otro lado la escasez de proveeduría libre de jaula en Colombia. 2. La compañía migro su compra de huevo en cascara a huevo líquido y en polvo, una nueva presentación que también ha dificultado su proveeduría en libre de jaula. 3. Parte de los proveedores colombianos con quienes hemos tenido acercamientos, declaran bienestar animal en su producción, pero no cuentan con certificaciones que lo respalden.

Additional information

15. Please include any additional information you'd like us to know about your cage-free egg policy and implementation.
