Questionnaire

7. Total % cage-free of total egg usage: 0

8. Break down your percentage of cage-free egg usage by region

Region	% cage-free of total regional volume
--------	--------------------------------------

Time-bound plans

9. Does your cage-free commitment include all eggs sourced by your company, including for products manufactured on behalf of other companies? If not, please explain the scope of your cage-free commitment.

No, we didn't discuss this with other companies.

10. What year do you expect to be sourcing physical cage-free eggs or purchasing Impact Incentives to cover your entire egg supply chain?

Not sure, we will need to talk to our bread and pastries providers.

11. If Impact Incentives are included above, by what year do you expect to be sourcing 100% physical cage-free eggs (Identity Preserved or Segregated) in products manufactured by your business?

It depends on the providers, we are already starting to do it with no economic incentives.

Actions for next reporting period

12. Outline activities that you will undertake in the coming reporting period to advance your cage-free commitment.

We are implementing already our commitment by this year.

Challenges

13. Explain obstacles you've encountered this reporting period in sourcing cage-free eggs.

finding competitive and providers that can do delivery every day to all our stores.

Additional information

14. Please include any additional information you'd like us to know about your cage-free egg policy and implementation.
