it will be related to post covid recovery.

Actions for next reporting period

13. Outline activities that you will undertake in the coming reporting period to advance your cage-free commitment.

Increase the number of restaurants in the consumption of cage-free chicken eggs, collaborating with our expert allies, such as HI, HSI and RFA; improving the economic offer by reducing logistics cost.

Challenges

14. Explain obstacles you've encountered this reporting period in sourcing cage-free eggs.

Logistics cost, we work hand by hand with producers from communities surrounding our restaurants, and some do not have the facilities to travel twice per week, so they have to invest more, to be able to move the product in time and manner. Another obstacle is the continuous rise in poultry feed, which plays an important role.

Additional information

15. Please include any additional information you'd like us to know about your cage-free egg policy and implementation.
