## 10. Break down your percentage of cage-free egg usage by region

Region	% cage-free of total regional volume
Asia Pacific (excluding China)	41.29

11. If your business has not yet reached 100% cage-free egg procurement through physical sourcing (Identity Preserved or Segregated models), do you have plans to cover this gap through Impact Incentives?

If yes, by what date?:

2025-01-01

If not, why?

### Time-bound plans

12. Does your cage-free commitment include all eggs sourced by your company, including for products manufactured on behalf of other companies? If not, please explain the scope of your cage-free commitment.

Our cage-free eggs only include whole eggs as a premium protein for now. We are looking at switching all our eggs to cage-free eggs soon.

13. What year do you expect to be sourcing physical cage-free eggs or purchasing Impact Incentives to cover your entire egg supply chain?

2025

14. If Impact Incentives are included above, by what year do you expect to be sourcing 100% physical cage-free eggs (Identity Preserved or Segregated) in products manufactured by your business?

2025

### Actions for next reporting period

15. Outline activities that you will undertake in the coming reporting period to advance your cage-free commitment.

In the coming years, we're looking at switching our breakfast eggs to cage-free eggs too and also having our franchisees to have that option on their salad bars as well.

### Challenges

16. Explain obstacles you've encountered this reporting period in sourcing cage-free eggs.

Customers do not want to pay the additional premium price and prefer to opt for regular eggs

### Additional information

17. Please include any additional information you'd like us to know about your cage-free egg policy and implementation.
